Only last week we were enjoying those balmy autumn days, now it seems we are rushing headlong towards Christmas, with frosty nights to add to the atmosphere. Don't forget to make sure all your animals have somewhere warm and dry to tuck themselves away from the weather.

Sandy and the team in the shop have been busy creating a lovely christmassy atmosphere, with lots of gifts to buy for the people and the animals in your life. Do visit, open Monday to Saturday, from 10.30am.

Christmas Cards, Dog Coats, new this year are knitted festive dog collar covers. See us at the Co-action Sale too. Thursday

FIX IT FOR A FIVER RETURNS! Nov 21st to 25th.

Thanks to all the dedicated work of our sponsors, friends and volunteers we are able to offer another week of cat Neutering so cheap you can't afford to ignore it!

The more cats we can neuter now the

smaller number of innocent kittens will be born into a troubled and often short life come the spring.

For details and an appointment.

Join us for

Carol Singing in Bantry on Friday December 9th.

We have a lot of fun singing our favourite Christmas songs and raising a bit of money at the same time. This year we will be joined by some members of **Bantry Community Choir.**

So come along at 10.30, meet by the Christmas tree on the Square. We'll be there for at least a couple of hours, join us when you can for a carol or two.

We have recently received 500 euros from Durrus Charity Shop.

THANKYOU!

Colaiste Phobail Bheantraí

We have seen the students in transition year popping into the shop to help this autumn, and on our flag day too. Their project finished recently with Jennifer and Sandy visiting the school to chat about our work, and to receive a cheque from the Students for 224.30
