FIX IT FOR A FIVER

What a week that was! Our Vets & Veterinary Nurse have worked their socks off - Altogether 105 cats were neutered in just one week. Just think how many unwanted kittens they could have brought into the world between them. Now their lives will be healthier & happier without the constant drive to breed. If funds permit we

hope to run another special offer later in the year. If you would like to contribute to the funding why not visit our shop in New Street Bantry or go to our website to donate.

Afternoon tea, wonderful cakes, a gorgeous day, in a beautiful place.

A HUGE thank you to Mary O'Brien of Dun-Oir Farmhouse for hosting the Mad Catter's Tea Party on 30th July. Thanks too to all those who supported us and those who helped to organise and run things on the day - too many to mention by name, but you know who you are. We all had a lovely afternoon, at the same time we raised an amazing €714 for the animals of West Cork - they can't say it for themselves, THANK YOU ALL.
