2017 ROUNDUP

Fix It For a Fiver was so successful and oversubscribed in 2016 that we just had to repeat the offer again. In 2017 we were fortunate to have 3 veterinary practices taking part and our thanks go to: Fachtna Collins, Bantry; Castlelands–Hourihanes, Skibbereen and Brookpark, Dunmanway. If we can raise the funds, we will do it again this year so look out for notices on our facebook page.

Funding for our work comes partly from a government grant, the rest is raised by our wonderful team of volunteers at the RAWR shop in Bantry.

Why not come in and see us.

We offer a variety of interesting items including gifts, clothing, pet supplies, hand made doggy jumpers, pet beds and greetings cards. You will

also find information leaflets on aspects of animal welfare.

Look out for us too at craft fairs in 2018

NEUTERING VOUCHERS: for availability contact veterinary practice: Bantry: Fachtna Collins 027 53639; Skibbereen: Castlelands–Hourihanes 028 22211; Dunmanway: Brookpark: 023 884 5777; Castletownbere: Brian Murphy 027 70366

What did we spend it on? The mainstay of our work is of course neutering and we continued Trap Neuter & Return with feral cats. All animals in the TNR programme are examined by a vet and additional treatment given where necessary. We also maintained the level of subsidised neutering vouchers for cats and dogs. The numbers for 2017 are:

Cats neutered:	449
Dogs neutered:	128
Cats adopted:	16
Dogs rehomed:	9
Lost Animals reunited:	9
Wildlife:	2 hedgehogs, 1 seal, 1 fox and 1 bat

Huge thanks and a Happy New Year to all our supporters and volunteers.
